**NOTE FROM THE EXECUTIVE DIRECTOR**  
**AMY F. COOK**

The intent of the racetrack condition book is to provide up-to-date information on requirements for racetracks and occupational licensees. Weekly visual inspections are required of racetracks during live racing and are to be reported to the Commission via email to [info@txrc.texas.gov](mailto:info@txrc.texas.gov). Daily visual inspections are strongly encouraged. Any issues regarding the safety, integrity or welfare of racing participants should be immediately reported to the Commission.

If there is any conflict with the Texas Racing Act or the Texas Rules of Racing and racetrack house rules or race sponsor rules, the Texas Racing Act and Texas Rules of Racing prevail.

## LICENSING

---

***\*\*\*Multiple Year Licenses are available for the following:  
Jockeys, Owners, Trainers. and Veterinarians.***

Prior to entering a horse at the racetrack, all participants (trainers, owners, and those in their employ that require a license to perform their duties) should have a current Texas Racing Commission license.

### **TRAINERS:**

1. All Trainers must be licensed prior to the entry procedure.
2. It is the trainer's responsibility to keep the Texas Racing Commission licensing office current on their owners' and employees' status. Failure to do so may result in disciplinary action by the stewards.
3. Whenever a trainer terminates an employee, the licensing office should be notified, and their badge returned. The license badge may be returned to the licensee when they are employed by another licensed trainer.

### **OWNERS:**

1. All Owners, as listed on the horse's registration papers, must be licensed prior to the entry of that horse.
2. Owners' license will not be issued unless a licensed trainer is named on their application.
3. All owners who lease horses for racing purposes are responsible for licensing both the Lessee and Lessor.
4. If the owner is not an individual, each partner who has an ownership interest of five percent (5%) or more must be licensed by the Texas Racing Commission.
5. A person may not be licensed as an owner if the person is not the owner of record of a properly registered race animal which the person intends to race in Texas which is in the care of a trainer licensed by the Texas Racing Commission.

**NOTE:** All Owners, Trainers, and Lessees must be licensed before the race day in which their horse will participate. Please see the following website for licensing guidelines:

## **SPECIMEN TESTING**

---

The Texas Racing Commission tests specimens include, but are not limited to serum, urine, and hair. All breeds will be subject to hair testing at random or for cause, as determined by the Texas Racing Commission. The Texas Veterinary Medical Diagnostic Laboratory (TVMDL) is the primary State laboratory that conducts testing of primary samples. The agency maintains discretion for using any accredited laboratory necessary to accomplish proper analysis, including split samples.

## **STATE VETERINARY MONITORING OF MORNING TRAINING**

---

State veterinarians have authority to monitor morning training and identify lame horses on the training track. Horses on the training track will be subject to the same evaluation protocol as horses during pre-race exams. Horses must jog past the state veterinarian for 8-10 strides when exiting the training track after exercise. Exercise riders can be asked to jog a questionable horse on the walking path after exercise to confirm a lameness seen on the track. Horses lame after morning training will be identified and placed on the Vet List if appropriate. Any horse that works out for an official time can have blood samples collected post workout.

## **WORKOUTS AND FIRST-TIME STARTERS**

---

If a horse has not started in the 60-day period preceding a race, the horse must have one published workout to be eligible to start in that race. If a horse is a first-time starter, the horse must have two (2) published workouts, one of which must be from the starting gate within 90 days, and one must be within the last 60 days of the race entered to be eligible to start in a race. The first-time starter must also be approved from the starting gate by an approved facility for proficiency in the starting gate. The racetrack's starter reserves the right to refuse an approval from another facility. Any horse that has not started a race within the last 365 days must have two (2) published workouts within 60 days preceding the race and an approved letter from the attending veterinarian to be eligible to race.

## VETERINARIAN'S EXAMS

---

Pre-race veterinarian examinations for horses stabled on the grounds will be conducted from 9:00 am to 10:30 am. Anyone shipping horses into barns other than the Receiving Barn, must notify the Commission Veterinarians of such barn and stall location. The horse's legs must be unwrapped and clean for this examination. For further information please call the test barn.

All Vet List timed workouts or exams required for race entry must be scheduled 2-3 days in advance by contacting the Chief State Veterinarian, Dr. Steve Bond at (512)529-1546 or the test barn.

### **Lip Chains**

Trainers will wrap all lip chains with leather or heavy tape wrap. Any part of the chain that contacts the horse's gums or corners of the mouth cannot be bare chain. Lip chains must be attached to provide some relief to the horse from constant chain pressure.

### **Ship-in Horses, Lasix & Pre-Race Exams**

Any horse(s) shipping into a barn, other than the receiving barn, must notify the TXRC State Vet of the barn location prior to the start of pre-race exams at 9:00 am. Ship-in pre-race exams will be two (2) hours prior to the first post time of the day, however it is strongly encouraged that entered horses be on the premises of the track 24 hours before post to allow appropriate observation times by TXRC Veterinarians. Texas Furosemide Program (Lasix) horses running in early races may need to be on the grounds earlier than listed above. Any ship-in horse not stalled in the receiving barn must come to the test barn for a pre-race exam. Trainers are responsible for securing a veterinarian to administer timely Lasix for their horses. Please contact the test barn for details.

### **BLEEDERS AND FUROSEMIDE (Lasix) PROGRAM**

**(a) Diagnosis of EIPH (a bleeder).** (1) A bleeder is a horse that experiences Exercise Induced Pulmonary Hemorrhage (EIPH). Except as otherwise provided by this subsection, the medical diagnosis of EIPH may be made only by a commission veterinarian or a veterinarian currently licensed by the Commission. If the first EIPH event experienced by a horse occurs in another pari-mutuel racing jurisdiction, certification of the horse as a bleeder by that foreign jurisdiction will also constitute a first report of a diagnosed EIPH event for purposes of this section. A veterinarian who diagnoses an EIPH event in a horse participating in pari-mutuel racing in this state shall report the event to the commission veterinarian in a format prescribed by the executive secretary. On receipt of the first report of a diagnosed EIPH event for a horse, the commission veterinarian shall certify the horse as a bleeder. (2) A trainer may request that a commission veterinarian reconsider the commission veterinarian's diagnosis of an EIPH event by presenting the horse for re-examination within four hours of the initial diagnosis, or within one hour after a performance's last race, whichever occurs sooner. To receive reconsideration, the trainer must present the horse to the commission veterinarian for endoscopic examination as performed by a commission-licensed veterinarian.

### **(b) Admission to Furosemide Program.**

(1) A trainer may admit a horse to the furosemide program by stating at time of entry that the horse will compete with furosemide. (2) A horse that competed with furosemide in its most recent start out-of-state must compete on furosemide in Texas unless withdrawn from the furosemide program at time of entry. (3) **The voluntary administration of furosemide without an external bleeding incident shall not subject the horse to an initial period of ineligibility under subsection (g) of this section.**

**(c) Administration of Furosemide.** Furosemide shall be administered to a horse in the furosemide program not later than four hours before the published post time for the race the horse is entered to run. The furosemide must be administered intravenously by a veterinarian licensed by the Commission. The executive secretary shall periodically publish the permissible blood levels of furosemide in post-race specimens and shall post the levels at each licensed racetrack.

**(d) Requirement to Use Furosemide.** A horse in the furosemide program in Texas must compete with furosemide until withdrawn from the program.

**(e) Withdrawal from Furosemide Program.**

(1) To withdraw a horse from the furosemide program, the trainer must state his/her intention to race the horse without furosemide at the time of entry.

(2) A horse in the furosemide program that competes out-of-state without furosemide is considered to have been removed from the Texas furosemide program effective the date of its first race without furosemide.

(3) Withdrawal from the furosemide program does not prohibit a horse from subsequent readmission to the program in accordance with this section.

**(f) Readmission to the Furosemide Program.** A horse may be readmitted to the furosemide program if:

- (1) at least 60 days have elapsed since the horse was withdrawn from the program;
- (2) the horse is required to compete with furosemide pursuant to subsection (b)(2) of this section; or
- (3) the commission veterinarian diagnoses the horse with another EIPH event.

**(g) Bleeders List.**

(1) The commission veterinarian shall maintain a list of horses that have been certified as bleeders and a list of horses that have been admitted to the furosemide program.

(2) On receipt of a report of a diagnosed EIPH event, the commission veterinarian shall place the horse on the veterinarian's list and the horse shall be ineligible to race for the following time periods:

- (A) First incident - 12 days;
- (B) Second incident within 365 days of previous incident - 30 days;
- (C) Third incident within 365 days of previous incident - 180 days;
- (D) Fourth incident within 365 days of previous incident - lifetime ban from racing in this state.

(3) A horse with fewer than four EIPH events that has not had a diagnosed EIPH event for a period of 365 consecutive days is considered a non-bleeder for purposes of this subsection. The report of a diagnosed EIPH event from any pari-mutuel jurisdiction which officially records EIPH events will be recognized as an EIPH event by the Commission.

(4) Notwithstanding the foregoing, if after reviewing a report of a diagnosed EIPH event the commission veterinarian determines additional days on the veterinarian's list are essential to the health and safety of the horse, the commission veterinarian may extend the number of days the horse is on the veterinarian's list. The commission veterinarian shall record the medical reasons for the additional days.

**(h) Report by Veterinarian.** A veterinarian who administers furosemide to a horse that has been admitted to the furosemide program shall report the administration on a form prescribed by the Commission. A report made under this subsection must be filed with the test barn supervisor not later than one hour before post time for the first race of that day.

SHRP highly encourages Racing Participants to obtain proper written documentation on sale or transfer of any horse that they previously raced or was stabled on the grounds of SHRP and lack of such documentation shall be considered a failure in due diligence efforts. SHRP reserves the right to require trainer or individuals responsible for a horse to provide such documentation as requested and failure to cooperate may result in sanctions by the Racetrack, up to and including revocations of stalls and exclusion from racing at all PENN properties.

In the event SHRP receives credible and verifiable information regarding a Racing Participant who knowingly, or without conducting proper due diligence, ships, assists in the shipping of or participates in the sale or transfer of a horse that is transported by cargo ship, such individual(s) may be sanctioned by the SHRP up to and including revocation of stalls and exclusion from racing at all Penn Entertainment properties. ### **PADDOCK SCHOOLING**

Paddock Schooling is available on Monday and Tuesday from 11:00 am to 1:00 pm beginning Tuesday, December 26, 2023.

### **PREFERENCE DATE SYSTEM**

1. All horses intended for racing at SHRP will be assigned a preference date. Preference dates will not be assigned until their foal papers and Coggins reports are on file. (To keep Coggins tests reports from Expiring they MUST be dated on or after April 7, 2023).
2. All registration certificates received on or prior to **December 26, 2023**, will receive a "0" date until they run or scratch.
3. All horses registering after December 26, 2023, through January 5, 2024, will receive a preference date of E1. Horses registering papers after January 5, 2024, will receive an "E" date corresponding to the race day that the papers are submitted to the Racing Office. Foal papers which arrive on a dark day will be assigned the next upcoming race day.
4. Horses that run will receive a running "R" date of the same day and lose any date previously held. This excludes Stakes in which they will retain their previous date.
5. Any horse that scratches off the program will receive a scratch "S" date and lose any date previously held. Horses placed on the Veterinarian list or Steward's list will receive a scratch "S" date corresponding to the day they come off the list. If a horse comes off the list on a dark day the next racing day will be used.
6. Entry "E" dates will have preference over a running "R" date of the same date. Entry "E" dates and running "R" dates will have preference over scratch "S" dates of the same date.
7. Horses which have established a date at the current meeting will lose that preference date should they race elsewhere and will receive a date when their papers are received back in the office.
8. In no way does claiming, owner transfer, trainer transfer of a horse affect the preference date.
9. Registration papers removed from racing office by the owner or trainer will cause a horse to lose its date, unless for good cause (corrections, breeders stamp, transfer, etc....) but must be done by our racing office staff.
10. Date preference will not supersede condition eligibility. Horses that meet the conditions of a race are preferred over Horses that do not.
11. In any overnight race regardless of dates, an 'in today' horse is always least preferred and the second part of an entry (by owner or trainer) cannot enter to the exclusion of a single interest. Though the second part of an entry is preferred over an 'in today' horse. The horse with the best date will be preferred when an owner or trainer have an entry in a race.
12. Horses with dates established which re-enter but does not get in, will keep the date previously established.
13. If a turf race is canceled and moved to the main track, the turf entrants that run will receive their originally dates back and the scratched horses will receive a "S" date that corresponds to that day.
14. Any omissions, discrepancies, errors, etc. must be lodged prior to the drawing of entries for that day.
15. In all matters, the Steward's ruling is final.

## **CONDITION ELIGIBILITY PREFERENCE**

1. In all lifetime condition races, winners are preferred over preference dates.

## **DIGITAL TATTOOS & CERTIFICATES**

Sam Houston Race Park's TRPB Tattoo Technician is Paul Stutes. Please call him at (832)528-8593 to schedule an appointment or sign up in the Horse ID Office. The price to have your horse verified is now **\$100** for each horse and must be paid prior to the technician starting the verification process. Payment can be made by Credit Card, Apple Pay or Google Pay. You can make arrangements to pay by Venmo @tattooTRPB or bring a Sam Houston Bookkeepers check made out to TRPB for the amount with you. The horse must be named, and bandages, poultice and blankets must be off of the horse.

The following are answers to frequently asked questions:

### **How will I receive my Digital Certificate(s)?**

When you log on to your Jockey Club Interactive Registration account, you will see an option under **DIGITAL CERTIFICATES** labeled **CERTIFICATE MANAGEMENT** that will display the certificates currently assigned to your Interactive Registration account.

### **Who is assigned the Digital Certificate?**

Digital Certificates are assigned to a Certificate Manager, a person or entity authorized to control the disposition of a Digital Certificate. The Certificate Manager may or may not be the owner of the horse.

### **How will I forward my Digital Certificate to a sales company, racetrack, or other entity that requires the Certificate of Foal Registration?**

The Certificate Manager will be able to assign the certificate to another party by selecting the appropriate entity or person, clicking the button that says, "Assign Certificate," and then following the prompts to complete the assignment.

### **How will I know when a Digital Certificate has been assigned to my account?**

An email notification will be sent shortly after a digital certificate(s) has been assigned to your Interactive Registration account.

### **Will all of my horses be issued a Digital Certificate?**

Foals of 2018 and after will be issued Digital Certificates.

### **What if a mistake was made when assigning a Digital Certificate?**

If a mistake was made when assigning a Digital Certificate, the assignor should contact The Jockey Club for assistance at [inquiries@jockeyclub.com](mailto:inquiries@jockeyclub.com).

### **How can I determine the current Digital Certificate Manager of a Thoroughbred?**

When you log on to your Jockey Club Interactive Registration account, you will see an option under **REGISTRATION** labeled **CHECK REGISTRATION STATUS** that will display the current Digital Certificate Manager for foals of 2018 and later.

### **Does the ownership data recorded with the assignment of a Digital Certificate prove title to the horse?**

No. The Jockey Club is a pedigree registry for Thoroughbred horses, not an ownership or title registry. Accordingly, any information presented by The Jockey Club concerning the "owner" of a horse is based solely upon information provided by others and is in no way warranted or otherwise offered by The Jockey Club as being a representation of who the actual owner or title holder of a particular Thoroughbred is.

*It is a criminal offense to transfer ownership of a horse  
(by Bill of Sale or Claim) without a current negative Coggins.*

## **OWNER'S SILK & FOAL PAPERS**

All owners must furnish their own silks. At the conclusion of the meet, please arrange for your foal papers and/or silks to be picked up. Sam Houston Race Park will not be responsible for any items not collected seven (7) days after the meet.

## **HOTWALKERS**

For lease and/or maintenance information about any of the hotwalkers please contact Haddad Racing Supplies at (281)477-0094. Hours are generally Tuesdays thru Saturdays, 9:00 am to 5:00 pm.

## **MAIN TRACK ONLY (MTO)**

1. Trainers, at time of entry, must designate turf or MTO entry which will be noted on the overnight and program for that day.
2. MTO entries will be preferred over other MTO entries at time of draw by the established preference date system.
3. If races remain on the turf at scratch time, all MTO horses will be scratched and will get their dates back.
4. MTO horses that draw into a race that is transferred to the main track will receive an "R" date for that race day.
5. When a turf race is called off the turf prior to scratch time, MTO horses will be considered starters unless there are not sufficient scratches to allow starting space in the starting gate at the designated distance for the race on the main track. MTO horses will then need to submit an acceptable scratch card to the stewards if they want to scratch.
6. At the time of draw for a turf race, field size will be determined by the starting gate capacity for the distance plus MTO horses up to number fourteen.
7. MTO entries will draw a post position at the draw along with the rest of the field.

## **ACCREDITED TEXAS-BRED PROGRAM**

To encourage the breeding of horses in this state, any accredited Texas-Bred horse finishing first, second or third in any race in Texas (other than a stakes race restricted to Accredited Texas-Breds) may be eligible for Owner, Breeder and/or Stallion Awards through the ATB Incentive Program.

Funding for awards is derived from breakage and 1% of all multiple wagers at each racetrack, with each racetrack generating awards funds only for the horses racing at that track. From the total generated, award funds are separated into categories for eligible owners (40%), breeders (40%) and stallion owners (20%). Additionally, the first 25% of all awards generated is set aside for Owner Bonus Awards, paid to owners of ATB horses finishing first, second or third in open company races. The Owner Bonus is in addition to regular ATB Owner Awards. Breeder Bonus Awards are also funded from the Horse Industry Escrow Account (HIEA).

In this condition book, the acronym ATBOIA appearing in parentheses in race conditions after the amount of the overnight purse stands for estimated Accredited Texas-Bred Owner Incentive Awards.

Owner incentive awards are not considered part of the purse, and therefore, are not subject to deductions for jockey fees.

The amount of the estimated ATB owner incentive awards available for each race restricted to Accredited Texas-Breds will appear like the following example: (Plus up \$1,000 ATBOIA).

The amount of the estimated ATB owner incentive awards available for each open company race will appear like the following example: (Plus up to \$1,000 ATBOIA).

All ATB Incentive Program awards – to owner bonus, breeder bonus, owner, breeder and stallion owner – will be paid by the Texas Thoroughbred Association approximately four weeks after the meet has ended.

### **THE HORSEMEN'S BOOKKEEPER, INC.**

In the State of Texas, the horsemen's bookkeeping system is centralized by the Texas Horsemen's Partnership, in order to *better serve the horsemen running at the numerous tracks throughout the state*. It is now similar to branch banking. This means that any necessary account maintenance can be done from any racetrack running a live meet in the state and through the Texas Horsemen's Partnership's main office in Austin year-round.

#### **Horsemen's Bookkeeper Requirements**

Prior to starting a race an owner must have on deposit with the Horsemen's Bookkeeper the amount required to cover all costs incurred in starting that horse.

Prior to putting in a claim for a horse the owner or their Designated Representative must ensure that all funds incurred with claiming a horse are on deposit in said account.
