Dear Racing Fans:

Sam Houston Race Park will continue its live racing program as planned. But in order to comply with Judge Hidalgo's recommendation, we cannot allow public spectators to attend the races. Only persons licensed by the Texas Racing Commission who are essential to the execution of the racing program will be permitted to enter the Park.

We apologize for the inconvenience this has created, and remain hopeful to resume to our normal operations in the near future.

Sincerely,

Dwight Berube,  
Vice President & General Manager  
Sam Houston Race Park
